news

We invite you to read the enclosed Vol. 1, Issue 1, of our reinstated company newsletter.

After 50 years of doing business – that's right, Bohle Machine Tools, Inc. was founded on April 1, 1957 – we realize that we have a lot of exciting and innovative information to share with our customer base. We did a little brainstorming and decided that a periodic newsletter with brief summary reports would be a convenient vehicle that will not require too much time from your busy schedules.

We will rotate our topics among all of our divisions:

 **Buderus**
SCHLEIFTECHNIK
EIN UNTERNEHMEN DER DVS-GRUPPE ID/OD Grinders
Hard Turning Lathes

 **BURKHARDT**
+
WEBER Horizontal
Machining Centers

 **FOOKE**
engineering works High-Speed
5-Axis Milling Machines

 **NILES** Multi-Axis
Milling / Turning Centers

 **SHW** Traveling Column
Milling Machines

We would appreciate your feedback on these newsletters and invite you to suggest topics of interest for future issues.

It goes without saying that we would appreciate your call or email if you would like more information about any of our products.

Very truly yours,

BOHLE MACHINE TOOLS, INC.
